REGISTRAR

INTRODUCTION

The Maharishi Markandeshwar Trust, formerly the Maharishi Markandeshwar Education Trust, was established in November 1993 in Ambala, Haryana, by the renowned visionary, educationist, and entrepreneur Shri Tarsem Garg. Over the course of just twenty-nine years, the Trust has developed numerous higher education and research institutions and advanced its mission quickly. A Deemed to be University at Mullana-Ambala, another state private University in Solan, Himachal Pradesh, MM International Schools at Sadopur, Rambha, and Mullana, and MM School of Nursing and Midwifery at Mullana are among the other institutions created by the Trust in addition to MMU Sadopur. The Trust has proud privileges of establishing the first private engineering institution, first private medical college, and first private Deemed to be University in Haryana and first private medical college in Himachal Pradesh. All of the MM educational institutions have been operating with the approval of the relevant authorities and regulatory bodies. Through dedicated and resolute efforts of the distinguished Trust members, the educational institutions under the Trust have stayed ahead of the curve in the ever-evolving and dynamic

education sector. By offering job oriented state-of-the-art education in various fields, these institutions ensure that the students develop a holistic perspective of their surroundings and become worthy citizens of a global society.

Established in accordance with the provisions of the Haryana Private Universities Act, 2006, **Maharishi Markandeshwar University, Sadopur, Ambala** is governed by Haryana Govt. Act No 29 of 2010. In accordance with Section 22 of the UGC Act, 1956, the University was approved by the UGC to award degrees. The University started out with the following vision and mission:

VISION: To prepare students with an integrated and technology oriented education for a better career and to be worthy citizens of a global society.

MISSION: To develop better than the best professionals for the economic development of the country.

The University campus, which is situated on a 42-acre plot of land in the Ambala suburbs along the Ambala-Chandigarh national highway, is known for its lush green surroundings. The campus is also well connected with the rest of the country by road, rail and air.

The University began offering UG and PG courses in a variety of subjects including engineering and technology, architecture, sciences, management and agriculture in 2010. However, the courses were not well-received by students and had gradually been fizzled out. The University started Institutions of health sciences w.e.f.2023-24.

MAHARISHI MARKANDESHWAR COLLEGE OF MEDICAL SCIENCES & RESEARCH

On the recommendation of the local experts committee, the MM Trust had decided to develop a new Medical College along with other health sciences institutes at the MMU Sadopur campus beginning from the academic year 2023–2024.

As the country needs to increase its doctor-population ratio from 0.5 per 1000 people to 1

per 1000 people by the end of 2027 so as to meet Universal Health Coverage (UHC) requirements. Therefore, by establishing a new Medical College, MM Trust hopes to address the physician deficit in relation to population.

In 2020, the **330** bedded **MM Super Specialties Hospital** having total Premise Area of **138050 sq.m** was founded in MMU campus at Sadopur, Ambala. The bed strength of the hospital has since then increased to **606** beds as of now. The hospital is surrounded by lush green fields in a suburban area. The hospital's main goal is to offer high-quality care to patients at a reasonable low cost. Most super specialities and all broad specialities are represented in the hospital's facilities. It provides services to the surrounding areas of Punjab, Himachal Pradesh, Uttar Pradesh, and Uttarakhand in addition to Haryana. The Gynaecology department of the MM Super Specialties Hospital has been providing all facilities for free deliveries for child birth. In order to deliver top-notch services to society, MM Super Specialties Hospital operates under the following strategic plan:

MM INSTITUTE OF NURSING & RESEARCH

In order to cater the growing demand of nursing professional in the country MM Trust has established a Nursing College at MMU Sadopur campus beginning with B.Sc. Nursing (4 Years) and GNM (3 years) programmes w.e.f. 2023-24.

Nursing as a profession and a discipline utilizes knowledge derived from arts, sciences (physical, biological and behavioral), humanities and human experience. Nursing science incorporates clinical competence, critical thinking, communication, teaching learning, professionalism, and caring and cultural competency. Nurses collaborate with other health disciplines to solve individual and community health problems. Nursing facilitates evidence-based practice, compassionate caring among its practitioners in response to emerging issues in healthcare and new discoveries and technologies in profession. Nursing practice requires personal commitment to professional development and life-long learning. The faculty has the responsibility to be role models and create learning environment that facilitates cultivation of critical thinking, curiosity, creativity and inquiry driven self- directed learning and attitude of life-long learning in students. Learners and educators interact in a process whereby students gain competencies required to function within their scope of practice. The program prepares nurses and midwives for generalist nursing including midwifery practice. Knowledge acquisition related to wellness, health promotion, illness, disease management and care of the dying is core to nursing practice. Mastery of competencies is the main focus. Students are provided with opportunities to learn a whole range of skills in addition to acquiring knowledge related to nursing practice (nursing and midwifery). This is achieved through learning in skill lab/simulated lab and clinical environment. Simulation will be integrated throughout the curriculum wherever feasible to enable them to develop competencies before entry into real field of practice.

MM INTERNATIONAL SCHOOL

In order to provide educational opportunities for local children and children of University employee from Nursery to class 10+2, the MM trust has also set up the **MM International School** at Sadopur in 2014 which is affiliated to Central Board of Secondary Education (CBSE). The school features well-maintained classrooms, library, labs and all other amenities. It has a standard size swimming pool, providing students with the opportunity to engage in aquatic activities that promote both fitness and leisure. In addition, the school has vast sports ground, which is generously equipped to support a wide array of sports and outdoor activities. These facilities support a holistic educational environment that promotes an active and healthy lifestyle in addition to promoting physical development.

ACADEMIC, SOCIAL & CULTURAL ACTIVITIES

WHITE COAT CEREMONY OF MBBS BATCH (2023-24)

White coat ceremony was organized on 29 September, 2023 at Maharishi Markandeshwar College of Medical Sciences & Research. Motivational & Inspirational talks were given by the Vice-Chancellor and senior faculty members to the students of the new batch of MBBS.

ATTITUDE, ETHICS AND COMMUNICATION (AETCOM)

The AETCOM assessment module was organized by the department of Anatomy, MMCMSR on 27 May, 2024. Various activities to enhance the necessary competence in the attitude, ethics and communication domains were organized and meritorious students were awarded with medals.

TREE PLANTATION DRIVE

Tree Plantation Drive was organized by the Department of Community Medicine, MMCMSR on 13 July 2024 at Sadopur to enhance the green cover and to raise awareness among students and faculty about the importance of environmental sustainability and conservation.

WORLD HEALTH DAY CELEBRATION

World Health Day was celebrated by MM Institute of Nursing & Research, MMU, Sadopur on 12 April 2024 to highlight this year's theme of My Health My Right and to raise awareness.

Expert Lecture

The external expert lecture on Sanskriti and 'Sanskar' was organized by MM Institute of Nursing & Research, MMU, Sadopur on 19 April, 2024 as a part of cultural enrichment program. The objective of the lecture was to reach into the deep-rooted cultural values of India encapsulated in the concepts of Sanskriti and 'Sanskar'. Ms. BK Shally, Spiritual Teacher of Prajapita Brahmakumari Ishwariya Vishwavidyalaya commenced the lecture by defining Sanskriti as the collective ethos, values, traditions, and way of life of a society, especially in the context of Indian civilization. 'Sanskar', on the other hand, refers to the process of refining oneself through education, upbringing and adherence to cultural norms.

Ms. Shally introduced "नमस्ते" Project breaking down the meaning of each syllable- "न" for "नम्रता" (Be Kind), "म" for "महानता" (Be Noble/Great), "स" for "सम्मान" (Be Respectful) and "ते" for "तंदुरुस्ती" (Be Physically and Mentally Healthy) and highlighted its importance in daily life as it is a traditional Indian greeting that holds deep cultural and spiritual significance.

To enrich the understanding of the participants, a video related to the topic was presented. The lecture further delved into a meditation session, where Ms. BK Shally encouraged participants to practice meditation for at least 5 minutes daily, showcasing the technique and highlighting its importance.

QUIZ COMPETITION

MM Institute of Nursing & Research has conducted quiz competition for B.Sc. Nursing 1st year students on 05-12-2023. Six teams of five students each participated in the competition. The winner and runner-up teams were awarded with prizes by Dr. Kirandeep Dhaliwal, Principal, MMIN&R, Sadopur, Ambala.
